Microwavable Bedwarmers

Fragranced with Lavender

Microwave Heated Gifts

Intelex has been manufacturing microwavable heat packs since 1995 and was established in Australia in 2004. We have an unblemished track record for quality and safety. All our soft toys are manufactured in accordance with the International Toy Safety Standard EN71-1/2/3/9, the British Safety Standard BS8433-2004 and the Australian Standard AS-NZS ISO-8124-1. With millions of satisfied customers and an impeccable safety record, you can rest assured that when buying from Intelex, you are buying the safest microwavable heat packs in the world.

Fast Reliable Service

We pride ourselves on supplying fast selling products that are manufactured to the highest standards of safety and quality. With your first order we can offer "Sale or Return" terms to enable you to try these products without any risk. For more information please contact our Customer Service or visit our website.
